

# ADSORBED SHEET CUTTER

## SG-ASC 2301A

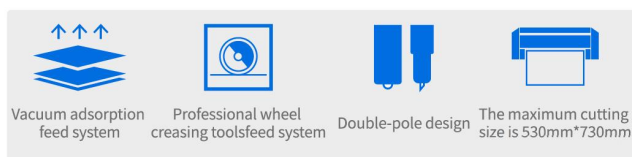

- Vacuum adsorption feeding system and static eliminator device;
- Professional wheel creasing tool configuration double blades design;
- The unique four-row pressure bar design makes the cutting more stable and the precision higher;
- Small footprint, wide range of use, maximum support 530mm\*730mm;
- USB/U disk/Ethernet/WiFi, multi-mode connection;
- Cutstudio supporting software, compatible with a variety of models.

Four rows of laminators

7 Inch Full Touch Screen

Double Knife Head Design  
Die-cutting + Indentation
